

EAST ANGLIAN LEAGUE RULES FOR SEASON 2021.

The East Anglian league is for the purpose of providing interclub competition for the age-groups specified in the rules below.

The league will hold an annual General meeting of member clubs each year after the close of the T&F season, at which officers for the next season will be elected.

Clubs will pay an annual membership fee to the league, which will be used for the purposes of defraying administration expenses and for staging the annual league final.
