RULES

- The meeting will be run under UK Athletics rules
- Competitors must wear the number allocated in the programme. Numbers must be worn as issued, not folded or reduced in size.
- Athletes must report at the start of all events 15 minutes before the scheduled event time, or when called to do so in case of program changes.
- Heats may be revised by the Track Referee, depending on the number of athletes reporting. If not more than eight competitors report for the heats of an event, then that event may be run as a straight final
- Qualification from the heats will be the first two in each heat plus the fastest losers to make up six finalists. Athletes should check on the results board to see if they have qualified for a final. Any athlete qualifying for a final and wishing to withdraw, must advise the Referee beforehand and may not then take part in any further events.
- On Field in horizontal jumps and throws, all competitors get 3 trials and then the 6 best in each age-group will then get a further 3 trials.
- Personal throwing equipment shall be submitted to the Field Referee/Clerk of Course for approval at least 30 minutes before the event time
- Only Officials & Competitors engaged in a current event are allowed on the infield. All spectators & non-competitors must remain outside the Track perimeter. This rule is in the interests of safety. Do not crowd the track finish area. If requested to move by an official in the interests of safety, please do so.
- Anyone offering to assist with officiating on the day can do so, but only after registering with the Officials Secretary. This is an insurance requirement, but all offers will be gratefully accepted.
- Full results may not be announced, but will be on display as soon as possible after the event. Judges and recorders will not give advance information, and the recorders, photofinish or timekeepers should not be disturbed under any circumstances.
- Only First Claim Club, County, Regional or National vests may be worn [UKA Rule 17(3)}. Athletes also competing for School or College may wear that vest. Wearing any other vest may lead to disqualification
- Awards. County Medals are awarded to the first 3 in each event. Where the event is run as time trials (most likely in U13 800m races), then medal winners will be the 3 fastest athletes from the combined times of the time trial races.
- Team points are scored on the basis of the top six athletes in each event
